

**VIRGINIA COASTAL
RESILIENCE
MASTER PLAN**
2021

**Norfolk Underserved Community Meeting #1
Summary Report**

Meeting Date: September 7, 2021
Meeting Time: 5:00 p.m. – 7:00 p.m.
Meeting Location: Norfolk State University
Attendance: 4 in person; 7 via Zoom
Commonwealth Staff: Ellen Bolen; Meryem Karad; Darryl Glover

Overview: Ellen Bolen welcomed everyone and conducted a power point presentation. She addressed participants' questions one-on-one since attendance was small. Participants made notes about flooding challenges on the map and circled where they lived. There were no questions posted in the Zoom chat.

Participant Comments and Questions

- Along with flooding, COVID-19 seems to be impacting transportation due to staff shortage. (Not too concerned with flooding but focus on cities throughout the map that are being impacted via transportation.
- Nuisance Flooding with rain throughout the city. Buses often have to reroute. Locations: Grandy Park, East Brambleton Avenue, Vermont Street, Monticello Avenue.
- Here to get a general idea of how flooding may be impacting the community.
